Hundreds Turn Out to Honor "Bucky" Smith

SUTTON - The Dudley Gendron American Legion Post in Sutton was the site of an overwhelming tribute to Sutton's greatly respected and much beloved retiring Fire Chief Ellery "Bucky" Smith and his wife, Faith. Several hundred local politicians, friends, relatives and fellow firefighters gathered to honor Smith for the decades of service which he gave to the town of Sutton.

Selectman Richard Labonte, Master of Ceremonies, introduced the speakers and presenters who demonstrated their appreciation with plaques and proclamations. Senator Houston began the festivities presenting a proclamation from the Massachusetts Senate. Before reading the Senate citation, he said that Smith represented the very best values that stand as a model for us all. "From what I know of his (Smith's) loyalty to the town, you've picked a very special person to honor tonight."

Selectman Wally Johnson praised Smith for his many years of tireless service to Sutton. He said that he did not consider the party a retirement party but a "professional party" because Smith was assuming the new position of Fire Chief Emeritus.

Of their long association, Johnson related a humorous anecdote, recounting, "There was one request of Bucky's that stands out in my mind. There was a time when all the (fire) stations had Dalmatians. Bucky thought we should get one. He said not only would it add class to the department, but it would help in finding the hydrants. We thought about it awhile then compromised; we bought him a can of fluorescent paint."

Michael Chizy, Chairman of the Board of Selectmen, expressed the gratitude not only of the Selectmen but also of a grateful community. He read a proclamation from the Selectmen which he then presented to the Smiths.

Selectwoman Mary K. Connor read a letter from Selectman Carl Licopoli who was unable to attend the testimonial. In his letter, Licopoli stated that Bucky "is a man who typifies what Sutton is all about. The Bucky Smiths do not retire," he wrote, "they merely continue to serve in different ways."

Ellery "Bucky" Smith and his wife Faith.

Standing, left to right: Senator John Houston and Selectman Richard Labonte. Seated, Rep. Richard Moore, Selectman Michael Chizy, Selectwoman Mary K. Connor, Selectman Wallace Johnson and Bucky Smith.

Rep. Richard Moore prefaced his presentation of two citations, one from the Massachusetts House of Representatives and another from Governor Michael Dukakis, by saying that the testimonial was a tribute to the Smith family, to Bucky and his wife Faith who epitomize "What the true ideal is." He added that Bucky is an inspiration to young people to serve their community.

Senator Louis Bertonazzi applauded Bucky's commitment to Sutton, stating, "Sutton can swell with pride that it has among them a person who doesn't think in terms of money but rather to be of service to neighbors."

Among the many firefighters honoring Smith was Millbury Fire Chief Thomas Nault. He applauded the spirit of cooperation between the Millbury and Sutton departments, saying that it was due in large part to Smith's sense of community that extended beyond the boundaries of Sutton. "It is an honor to have been associated with such a gentleman, Nault said. "He was always willing to help us out with valuable resources and advice."

Bucky's son, Andrew Smith, Chairman of the Sutton School Committee, expressed the gratitude of the Smith family. In his comments, he stated that he could not recall a time when the fire department was not a significant part of the Smith family and offered a humorous anecdote as an example: One very cold evening, there was a fire alarm. In their haste to get to the fire station, the Smith men were hastily gathering their coats and boots and inadvertently pushed Faith down the cellar stairs. Bucky, fighting with his loyalties now divided, called down to her as he was half out the door, "Are you all right?" to which she responded, sharing their sense of obligation, "Go on, I'm all right!"

Fuel Assistance

The Millbury Council on Aging has received notice from W.C.A.C. that the upcoming program will begin on November 1st and run through March 30th.

The COA will take applications again this year and I ask that you call to make an appointment. Those who receive a re-certification form in the mail are asked to fill it out and send a fuel bill along with proof of income back to WCAC. I will be happy to go over this form with you and make sure you have all the needed information required.

You must send a fuel bill and copies of your monthly checks. If you have any questions, do not send the form in without seeing me. I will set up a special day to do recertifications, so call for an appointment.

Judith O'Connor
Director

Thank You...

The Millbury High School Class of 1990 wishes to thank all the people who contributed to our Magazine Drive. Due to your support, we were able to raise over $1,400 for our class.

Thank you.

Millbury Selectmen's Meeting Digest

Board Selects Veterans' Agent

By Edward J. Cooney

MILLBURY - The Selectmen's September 20 meeting opened at 7 p.m. with a call to order by Chairman Jude Cristo. All board members were present. Warrants were signed and minutes for August 23, 30 and September 6 were approved with a minor correction requested by Selectman Wynton Adams in the wording of discussions with the Police Association at the September 6 meeting.

Administrative Assistant Earl Chase presented executive session minutes to be approved and released to the public record. Four sets of executive session minutes were approved unanimously. Minutes for October 6, 1981 were held at the suggestion of Police Chief Ronald Stokowski.

Patrolmen

Chase informed the board that a Civil Service list was received containing the names of 15 individuals who qualify for openings on the police department. He noted that from that list, there are presently six candidates who signed the list indicating their desire to be considered for the two patrolmen positions to be filled as soon as possible and a third appointment to be considered if a special town meeting approves the funding. Chase also stated that the six candidates who signed the list indicated they would accept an appointment if chosen. According to Chase, the deadline for signing in for the remaining candidates on the list is Monday, September 26. He suggested starting a schedule of interviews next Tuesday.

Stokowski then explained that there was not much time to make a selection since police academy training begins in October; a second training course won't be available until January. He noted that he would have to notify the academy in three weeks if the town wants to send recruits for the first training session. Stokowski also emphasized that waiting until January would delay getting the recruits on the force until spring.

Some discussion then developed concerning meeting the deadline for the October training session since the candidates must all be interviewed. Cristo noted that at the next two meetings, only three members of the board will be in attendance. He suggested it might be more appropriate to have all members present, which would delay the interviewing process.

Stokowski then noted that some of the candidates already have police academy training and could be available for immediate work if selected.

The board reached a consensus and Cristo suggested that Stokowski make reservations for two candidates for police academy training so the slots would be reserved and names could be submitted after the selection process is complete.

Veterans' Agent

At 7:15, the board interviewed a 3rd candidate for the Veterans' Agent Position, Philip Buso.

Buso spoke of having served 26 years in the Marine Corps, having achieved the rank of Master Sergeant Gunnery E-9 prior to his recent retirement.

His experience was highlighted by statements noting that his duties dealt with administrative work pertaining to battalion and regiment levels in the Corps. He also emphasized his experience in dealing with people under stress, citing involvement with carrying out casualty calls. Under questioning, Buso explained that he managed battalion, regimental and headquarter levels of administrative paper work.

Buso also stated that, if required or requested, he had no aversion to taking on additional duties relating to human resources other than veterans' work.

Buso told the board that he and his family like the area and have relocated to Millbury.

Prior to concluding the Selectmen's meeting, the board selected Buso for the position of Veterans' Agent.

Library Trustee

The board next met with the library trustees to jointly select and approve a candidate to fill the unexpired term of Trustee Joan Houle who has submitted her resignation.

Librarian Rosemary Waltos, speaking for the trustees, told the board that the trustees were recommending the name of John Potter who had expressed an interest in serving the library. According to Waltos, Potter ran for election to the board of trustees last April but lost in the race. She also noted that Potter has also been actively involved in the children's room at the library.

Potter's name was accepted and approved to fill out the unexpired term of Mrs. Houle which expires in April, 1989.

Grafton/Riverlin Intersection

Chase then reported on receiving a letter from the State Department of Public Works relating to suggestions to alleviate problems at the Grafton/Riverlin Street intersection. A flashing signal was the last suggestion made.

Adams asked whether there has been any feedback from the police department concerning the frequency of citations issued at the intersection. Chase reported that there has been no feedback as yet but he would pursue the matter.

Use of Town Counsel

Chase noted that the board had not taken any formal action on a request from the Planning

COUNSEL from Page 3

Board for access to Town Counsel to review recommendations concerning changes in fees for development and building proposals that come before the board.

Adams spoke in favor of supporting the request stating, "Without legal assistance we are apt to compromise counsel effectiveness."

Selectman Roland Lachance questioned the need for access to town counsel at this time since all articles that go before the town meeting are reviewed for language by counsel.

Chase noted that the planning board would hold a public hearing on suggested changes. Lachance stated, "No one would attend the hearing." Chase replied "It is in the purview of the planning board to make regulations."

Lachance then asked, "What is the Planning Board's intent? We are in a legal bind now with a developer." He suggested that a Planning Board member come to a meeting to explain their intent.

Chase then went to the Planning Board office and returned with Planning Board Chairwoman Anna Lewandowski who explained that her board was not making or suggesting any changes in the zoning regulations but was interested in increasing fees to cover costs to the town. She explained that the town doesn't have a town engineer so plans and specs have to be reviewed and checked by a private engineer. "At present, cost analyses indicate that present development fees do not cover the town's expenses," said Lewandowski.

The board approved the request for town counsel to review the changes on a 5-0 vote.

Youth Commission

William Brady and Peter Balcius were scheduled for interviews for appointment to the newly formed Youth Commission.

Chase reported that Balcius was not an applicant for appointment for a seat on the Youth Commission but was interested in the Youth Coordinator's position which is to be filled by the Youth Commission once it has a quorum.

Brady then explained that he was interested in serving on the commission, saying that Millbury is a progressive, growing town with an increasing number of young people. "We don't need to see more and more youth hanging around the common," Brady said.

His appointment was approved along with that of Sue Ryan, a former member of the Youth Activities Committee. This brings the appointment count to five, which makes a quorum. Two more members are needed to bring the commission up to full strength.

Dwinell Cemetery

A brief discussion followed on the maintenance of Dwinell Cemetery, off McCracken Road. The board will send a letter to the cemetery commissioners requesting their input on how to resolve the maintenance problem.

Wheelabrator

The Selectmen received a letter from Bennet C. Jaffee, Assistant General Counsel for Wheelabrator Environmental Systems Inc., operators of the solid waste disposal and resource recovery facility in Millbury, the contents of which asked "that the town acknowledge the grant of the security interest, as well as provide copies to the trustees for the lenders and for Ford of any notice that the Town delivers to WMI (Wheelabrator Millbury Inc.) in the event of a default.

The letter explained that WMI entered into a sale and leaseback transaction with Ford Motor Credit Company and "certain other institutional lenders" in connection with the long term financing of the cost of construction of the resource recovery facility. As part of the sale leaseback transaction, it was necessary for WMI to grant to the lenders a security interest in the Agreement into which Wheelabrator entered with the town of Millbury on June 25, 1985.

The letter further states that the town's acknowledgement of the security interest "does not in any way affect the contractual rights and obligations that exist under the Agreement between WMI and the Town. The agreement to provide copies of any notice to the trustees in the event of WMI's default allows the lenders to cure any default in a timely fashion."

A consent form accompanied the letter which acknowledges that WMI advised the town, among other things, that Connecticut National Bank and Trust Company, National Association is the "owner trustee" for Ford Motor Credit Company which "simultaneously acquired the Facility, leased it back to WMI and issued approximately $120,000,000 of notes to institutional investors...."

"Owner Trustee" was identified as The Connecticut National Bank and Trust Company, National Association of Hartford, and "Indentured Trustee" was identified as State Street Bank and Trust Company of Boston.

The board voted 5-0 to sign the document.

Waters Mansion

The board approved two extra projects at the Waters Mansion, at a cost of $333 and $503, using credits totalling $900 to balance the cost.

South Main Street Bridge

Selectman John Donnelly stated that he had

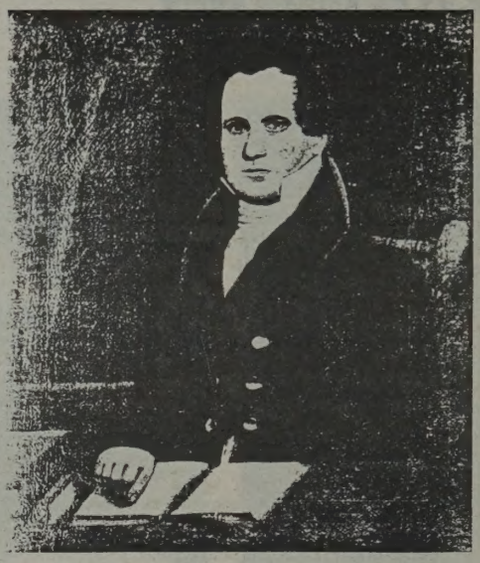
A Bit of History....

by Grace Laflash



Because it is our town's 175th birthday, I would like to share a bit of history with you.

Millbury's Godfather, Caleb Burbank, was born on July 18, 1761 in the part of Sutton which became Millbury.

In his youth, he performed farm chores which included milking, a most displeasing task in young Caleb's estimation. His father, Abijah, had purchased a cow from "Old Morse" in Sutton. The creature was referred to as "The Morse cow." She never hesitated to swing her foot whenever the boy approached.

In 1813, an important decision had to be made on a name for the new town. During the previous year, 1812, the Russians had outwitted Napoleon by burning the city of Moscow before his arrival. The exuberance over this event still lingered. Someone suggested the name "Moscow." The specter of that ugly, kicking critter, "the Morse cow," arose before Caleb. He just couldn't live in a town that evoked such unpleasant memories. "Because of all the mills, Millbury would be appropriate," he suggested.

All present concurred.

Millbury Historical Society

MILLBURY - Millbury's most famous inventor, Tom Blanchard, invented the eccentric lathe and is accredited with twenty or more patents. In observance of the bicentennial of his birth, the Millbury Historical Society is planning a bus trip on Saturday, October 1 (October 8 rain date), to the Mt. Auburn Cemetery in Cambridge to visit his gravesite and that of other famous individuals. An early cemetery utilized during the 1700's will also be visited.

There is no charge for the trip. The only expense will be lunch at one of the restaurants at Harvard Square.

The bus will leave Millbury at 9 a.m. and return at approximately 3 p.m. Contact Betty Church at 865-6678 or Grace Laflash at 865-4563 if you are interested in participating.

New Members Needed

MILLBURY - The Millbury Arts Council is currently seeking new members. The Council is responsible for the distribution of funds allocated by the State Art Lottery Fund for art-related programs. Students of the Millbury schools, members of the Millbury Women's Club, the Millbury Public Library, The Council on Aging, and the general public have all benefited from events and/or programs funded by the Arts Council.

Meetings are held on the second Thursday of the month in the Sewerage Commission Office at the Town Hall. The next regularly scheduled meeting will be October 13, at 7:30 p.m. Stop by and see what the Council is all about.

Arts Council Now Accepting Applications

MILLBURY - The Millbury Arts Council is accepting applications for funding art-related programs. Applications are available at the Millbury Public Library and the Town Hall. All applications should be typed and received by the Arts Council NO LATER THAN October 12, 1988. You can bring in or mail applications to the Millbury Arts Council, c/o Millbury Town Hall, 127 Elm Street, Millbury, MA 01527.

Blood Pressure Clinics

MILLBURY - The District Nursing Society Blood Pressure Clinics for the month of October are as follows:

Asa Waters Mansion, 123 Elm Street, October 4, from 8:30 to 11:00 a.m.; October 11, 9:30 to 11:30 a.m.

Centerview Apartments (residents only), October 20, from 1 to 2 p.m.

Colonial Apartments, Colonial Drive, October 27, from 1 to 2 p.m.

Linden Apartments, Pearl Street, October 19, from 1 to 2 p.m.

Stuarts Department Store, 132 Worcester St., No. Grafton, October 5, from 10 a.m. to noon.

All clinics are free and open to the public, except as noted. For more information call 865-4373.

Music and Football Highlight School Committee Meeting

By Edward J. Cooney

MILLBURY - The School Committee held its first meeting of September on the 21st, with all members and Superintendent Dr. Alfred Sylvia present.

Music Program

An item filed by Committeeman Alan Tuttle generated considerable discussion, lasting for 45 minutes. Tuttle brought up several concerns parents have raised concerning the music program at the High School.

Also present for the discussion were High School Principal Daniel Carmody, Music Department Head Rocco Bruno, teachers Mr. Nagy and Mrs. Hanks, and parents Matt and Sue Gardner.

Mr. Gardner stated that discussions during the process of hiring a music teacher last June led parents to believe Hanks would be involved with helping Bruno with the band.

Superintendent Sylvia said that it was his understanding that Hanks was not specifically hired to work with the band but also to assist with chorus work at the Middle School. He explained that Hanks is working with a large group of students in the chorus at the Middle School during a 5th period, which is also the scheduled band time at the high school.

According to Sylvia, Nagy, who is also at the Middle School, assists Bruno during the 5th period at the high school.

Sylvia emphasized that this was the first time that a specific time for all band members had been scheduled at the High School.

Principal Carmody told committee members that he had worked exceptionally hard on developing the master schedule in order to provide a block of time for the music program at the high school.

Bruno noted that it was the first time that two teachers were available at the same time to work with students in the band and that this arrangement made sense.

In response to concerns expressed by parents concerning the problems associated with parades, Bruno noted that it was difficult to get a full compliment of marchers and musicians because many students also work.

Bruno also cited instances where students were lost to band membership this year because they opted to use study periods for study rather than attend band practices. According to Bruno, scheduling and work have always presented problems with keeping band members.

Mr. Gardner emphasized that parents were aware of problems and when an additional teacher was hired they thought some of the problems would be solved.

Sylvia said that he has made a strong commitment to the music program at the high school and that, with the addition of Nagy to assist Bruno, the program should become stronger.

The discussion turned to possible alternatives for marching practice. It was suggested that afternoon or evening times be scheduled.

Bruno said that many kids are involved in after school sports or work, and that it might not be too viable an alternative.

Carmody noted that in the community where he lives, the band meets and practices every Thursday evening. "They and the parents have a strong commitment to do that. There has to be a strong commitment by both students and parents."

Sue Gardner then suggested that they focus on those students who do attend practices. "If you make the program more interesting, more are apt to join in. Make it successful. If 30 out of 40 show up, make it good for those who do show."

Bruno noted that at times it is difficult to put a band together if certain players of key instruments don't show up. "A performance can only be enjoyed if 95% of the band shows up." Bruno said.

It was suggested by Hanratty that Carmody send questionnaires to parents to ascertain the viability of having evening band practice one night a week.

In closing the discussion, Bruno asked the committee to consider transferring some funds from budgeted accounts to purchase a stereo for the Middle school to replace one that is old and in disrepair and to transfer $3,000 from the uniform account for emergency equipment.

Committeewoman Jane Pojani suggested that Bruno seek funding through the Parent Improvement Council.

The discussion concluded with Bruno indicating that he would report back to the committee on progress with the music program at the high school.

Flag Football

Richard Garabedian, Athletic Director, was present to present a proposal for establishing a Flag Football program on Saturday mornings up to mid-November.

Garabedian said that the purpose of the games would be to provide fun for youngsters and to build basic skills which might contribute to improvement of the high school football program.

OCTOBER HIGHLIGHTS

SWEATSHIRT PAINTING - Tuesday, October 11 at 6:30 p.m.: Meredith Ordway returns to the library, this time to teach a class in sweatshirt painting. Participants must bring in a washed tee shirt or sweatshirt. For best results, fabric should not be 100% polyester and should not be washed in fabric softener. This program is co-sponsored by the Friends of the Millbury Public Library. Registration fee is $6, for supplies, payable at the time of registration.

STUDENT VOLUNTEER CLASSES - Tuesday, October 12 at 3:30 and Friday, October 14 at 3:30: there will be two classes held for those students in grades three and up who are interested in volunteering in the children's room at the library. The first class, held on Tuesday, is for students who have not previously volunteered at the library. The October 14 class is a refresher course for our experienced volunteers. Only those people who have taken one of these two volunteer classes will be scheduled for volunteer duty at the library. Registration starts on October 4.

GUESS-THE-WEIGHT-OF-THE-PUMPKIN CONTEST: from Tuesday, October 18 through the 22nd, the library will hold its annual pumpkin contest. Here's a chance to win your Halloween pumpkin especially decorated for the occasion by Bill Lewos, Jr. The drawing will take place on Wednesday, October 26. This year, the Halloween pumpkin was donated by the Friends of the Millbury Public Library.

FRIENDS OF THE LIBRARY ANNUAL HALLOWEEN PARTY - Wednesday, October 26, at 3:30 p.m. Decorate a pumpkin and take part in the Halloween Parade to the Town Hall and 95 Elm Street (weather permitting). Then stroll back to the library for fun, refreshments and ghostly Halloween stories, plus the drawing for the winner of the "Guess-the-Weight-of-the-Pumpkin" contest.

Chamber to Tour Veterinary School

BLACKSTONE VALLEY - A tour of Tufts New England Veterinary Medical Center on 200 Westboro Road in North Grafton will kick off a new season of Blackstone Valley Chamber of Commerce monthly breakfast meetings on October 4, from 7:30 to 9 a.m.

Franklin M. Loew, DVM, dean of Tufts Veterinary School, will present a brief history of the veterinary center followed by a guided tour of the large and small animal hospitals. This is the first of several tours planned of Valley businesses during the Chamber's 1988-89 membership meeting season.

Cost of the session is $7.50 per person and advance registration is required. To register, or for more information, contact Rebecca Goodwin at 753-2924.

Issues Forum for People with Disabilities

MENDON - A six-week Issues Forum for people with disabilities is being offered on Thursday evenings beginning September 29 at 7 p.m. at the First Parish Unitarian in Mendon. The first topic to be discussed will be Legal Rights, with keynote speaker James Gleich, Director of the State Office of Handicapped Affairs.

Additional topics in this series include: Stress Reduction (October 6); Health Marketplace (October 13); Sexuality (October 20); Travel and Recreation (October 27); and Family Relationships (November 3).

There is no charge for the series and it is not necessary to attend all topics. All programs in the forum will be Sign interpreted for the hearing impaired.

For more information, call 473-8681.

Blood Drive in Sutton

SUTTON - The Women's Fellowship of Sutton will sponsor a Red Cross blood drive on Thursday, October 6, at the Dudley Gendron Post, Boston Road, from 3 to 8 p.m. The drive is open to the public.

Since there is a critical shortage of blood throughout the state, blood donors are needed even more than usual.

Three Millbury Students Recognized by National Merit Scholarship Program

Left to Right: Scott Pease, National Merit Scholarship Semifinalist, Wendy Stead, Commended Student, and Brian Tift, also a Semifinalist.

MILLBURY - Millbury High School has announced that Scott Pease and Michael Tift are among 15,000 high school seniors named to Semifinalist status in the 1989 competition for Merit Scholarships. The announcement was made by the National Merit Scholarship Corporation (NMSC) on September 15.

Scott is the son of Bruce and Leanne Pease of West Main Street. Michael is the son of Raymond and Linda Tift of Forest Drive.

This nationwide pool of academicaliy talented Semifinalists includes less than half of one percent of each state's seniors; they entered the 1989 competition for some 6,000 merit Scholarships worth about $23 million by taking a qualifying test in 1987. The PSAT/NMSQT served as an initial screen of nearly 1.2 million students from 19,000 U.S. high schools who are participants in the 34th annual Merit Program.

Semifinalists are the top scorers in their respective states, and to advance to the Finalist level of the competition they must fulfill additional requirements. They must have outstanding academic records throughout secondary school, be endorsed and recommended by their schools, confirm their qualifying performance on a second test, and complete an application that includes detailed information about their scholastic and extracurricular accomplishments.

All Merit Scholarship winners will be chosen from the group of about 14,000 Semifinalists who distinguish themselves by becoming Finalists. The 6,000 Merit Scholars will be selected by committees who will analyze detailed information about the Finalists' academic and extracurricular accomplishments. Committee decisions will be based on an evaluation of high school course load and difficulty level of subject matter as well as grades earned, two sets of tests scores, the student's demonstrated leadership and contributions to the school and community, the written recommendation and characterization by the school principals, and the Finalist's self-description of interests, plans, and goals. Winners will be the Finalists who are judged to have the strongest records of attainment.

In addition to the two semifinalists, Wendy Stead was designated a Commended Student in the Scholarship Program. Miss Stead placed in the top 50,000 of more than one million participants and will receive a letter of commendation in recognition of outstanding academic promise.

Wendy is the daughter of Mr. and Mrs. Ronald Stead of Beach Street.

An official of NMSC stated, "Being named a Commended Student in the extremely competitive Merit Program is a credit to these young men and women and the schools which play a key role in the development of academically talented youth. We hope the recognition these students have earned will increase their motivation to use their abilities to the fullest, for they represent an important intellectual resource which our nation needs."

Only the 15,000 semifinalists, whose names were announced on September 15, will continue in the competition for some 6,000 Merit Scholarships to be awarded in the spring of 1989.

Important News for Private Well Owners

MILLBURY - The Massachusetts Department of Food and Agriculture is working with local boards of health to implement regulations designed to protect private drinking water wells from herbicides used on rights-of-way.

Under the regulations, the use of herbicides on rights-of-way will be prohibited within 50 feet of private drinking water wells and restricted within a buffer zone extending to 100 feet. To gain protection, persons using drinking water wells located within 100 feet of a right of way must:

1. post the location of their wells at the edge of the right-of-way; and

2. notify the local health board of their well's location so that it can be mapped and provided to herbicide applicators. Contact the Millbury Board of Health at 865-4721 for more information.

3rd Annual Crop Walk

The Millbury-Sutton Ecumenical Cluster will sponsor its 3rd annual Crop Walk on October 23 beginning at 2 p.m. The walk will start at the Millbury Common and end in West Sutton (10 kilometers). Twenty-five percent of the money raised will be kept locally for the homeless and hungry in Worcester County.

Area residents are asked to join in the fight against hunger by walking or by sponsoring a walker.

It's a chance to make a difference for a brighter tomorrow!

Sweatshirt Painting

MILLBURY - On Tuesday, October 11, at 6:30 p.m., the Millbury Public Library, 128 Elm Street, will hold a class in sweatshirt painting in time for the holiday gift giving season.

Meredith Ordway returns to the library to teach this sweatshirt painting class. Participants will be taught how to design and paint on material. Participants must bring a washed tee shirt or sweatshirt to the class. Ordway recommends that for best results, fabric should not be 100% polyester, nor should it be washed in fabric softener.

Registration fee for this program is $6, for supplies, payable at the time of registration.

The program is co-sponsored by the Friends of the Millbury Public Library.

Old Fashion Variety Show in Sutton

SUTTON - As part of the Blackstone Valley Heritage Homecoming celebration, the Hillside Club of West Sutton will sponsor an old fashion Variety Show on Saturday, October 1 from 7:30 to 9:00 p.m. at the West Sutton Community Hall. Refreshments will be served.

Ticket prices are $5 for adults and $3 for children age 12-17. Children under the age of 12 will be admitted free of charge.

Nils Hagberg of Worcester will be Master of Ceremonies. Singers will include Beverly Johnson of Auburn and Marty Fisher of Lancaster. Jimmy Duncan of Framingham will be at the piano.

In addition, Robin Hale of Auburn and Susan Hale of Millbury will sing and perform dance routines.

Scoutmaster Needed

MILLBURY - St. Brigid's Boy Scout Troop 108 will soon be losing its Scoutmaster and is looking for a replacement. The Troop is offering an opportunity to a man of good character to lead and participate in the continued development of a small but well-established boy scout troop. A fully organized committee is already in place to provide necessary support.

If you think you may be interested in becoming the troop's scoutmaster, call Committee Chairman Paul Gagne at 865-5710.

Aroun' The Town & Golden Agers Update

By Lillian C. Sheehan

With the advent of Fall, even though the days are bright and sunny, with a little briskness in the air we have to say goodbye to our concerts on the Common. Which brings me to a subject that was made clear to me the other day, and I pass it on to you!

In the past, when we expressed our gratitude for music on Sunday nites, only a partial list of those responsible for this entertainment was given. "Happy" coordinates the program and the Common Committee help, but the checks that pay for these bands come from the Lottery through the efforts of the Millbury Arts Council. This Council is responsible for the distribution of funds allocated by the State Art Lottery Fund for art-related programs.

So a belated "Thank You" to all the right sources, and we sincerely hope, with past experience, that they will be able to supply this entertainment every week throughout the summer months!

CENTERVIEW APARTMENTS: folks came home at the end of a very busy day recently, a little tired but very contended with a pleasant ride to New Hampshire where the foliage is already showing signs of Fall. They also enjoyed a delicious lunch at the Old Forge and shopping in a "super" mall. The day was brought to a sweet finish with candy and ice cream. Oops! Almost forgot the Cathedral of the Pines in between!

Helme has a foliage trip and perhaps a Halloween party planned in the recreation hall to fill in the month of October.

MILLBURY GOLDEN AGE CLUB: Meetings of the Millbury Golden Age Club are held every Tuesday at 12:30 p.m. in St. Brigid's Church Hall. All residents of Millbury age 60 and over are eligible to join. Dues of $3.00 for 88-89 are now payable. There's a trip planned in the near future, and complete details will be given next week.

ST. BRIGID'S WOMEN'S CLUB: We are fast approaching the date of the Apple Fest and Mini Fair sponsored by St. Brigid's Women's Club. So mark your calendars for Saturday, October 8, and plan to attend between 10 a.m. and 2 p.m. If you have any articles you wish to have picked up, please call Paula Beauregard at 865-5553, whether it be crafts, treasures for the "attic treasures," groceries for the raffle table, or any appropriate item. All are needed and would be appreciated.

If any member of the club or parish can assist on Friday afternoon or evening with peeling and bagging apples, please call Madeline Hartline at 865-4876. Let's all pitch in to make this an outstanding event!

WIT AND WISDOM

You grow up the day you have your first real laugh – at yourself.

He who trusts his fellow men makes far fewer mistakes than he who distrusts them.

The sum total of our national deficit is some total.

Benjamin Franklin may have discovered electricity, but it was the man who invented the meter who made the money.

Just because you hear the same rumor twice doesn't make it the truth.

Footprints in the sands of time are never made by sitting down.

The big truth is always in the small print.

School Improvement Councils

MILLBURY - New State education funding has made it possible for each school to receive funds to support building level improvements. In order to expend these funds, citizen participation is required. Advisory committees are being established at the Elmwood Street School, Raymond E. Shaw Middle School, and Millbury Memorial High School.

Parents and interested residents who would like to serve on these committees are asked to call Mr. Johnson at the Elmwood Street School (865-5241), Mr. Rogers at the Middle School (865-3541) or the High School (865-5841). If a parent or resident has no school preference, he is encouraged to call the Superintendent's office at 865-9501.

Pot Roast Supper

SUTTON - The West Sutton Baptist Church, Central Turnpike, will hold a Pot Roast Supper at the Church on Friday, September 30. There will be servings, one at 5 p.m. and the other at 6:30 p.m. Each seating is reserved for 100 people.

The menu will consist of Tomato Juice, Pot Roast, Gravy, Carrots, Mashed Potatoes, Rolls and Butter. Dessert is Apple Crisp and Ice cream. Coffee, tea and punch are the beverages.

Prices are $6.00 for adults and $3 for children age 6-12. Children under the age of 5 will be admitted free of charge.

There is plenty of parking at the church. Tickets will be sold at the door on a first come, first served basis; no reservations are being taken.

Proceeds from the supper will be used to buy kitchen utensils and appliances.

FOOTBALL from Page 7

He indicated that Donald Fouracre, football coach, and several volunteers would work with the youngsters from 10 a.m. to 11:30 p.m. As a reward, the youngsters would be allowed in to the high school games for free.

He also emphasized that no money or equipment would be needed and that the flags were already available.

Mrs. Pojani expressed concern with any liability that might occur for the volunteers in case of an injury. It was suggested that Suzanne Pierce, Business Manager, investigate liability and insurance coverage.

Tuttle noted that most youth programs over the years have developed from the general community and not from the schools. He asked if there would be any parent involvement in getting the program started.

Garabedian replied that no parent involvement would be required and that the proposed program would run like an intra-mural so the program would be under school control.

Tuttle suggested that the program should come about through the community, noting that the schools would have liability for the program. "You have to develop interest in the community. It's not our job to develop interest if the interest is in other sports programs."

Discussion then focused on the present football program. According to Garabedian, at present the team is a J.V. team playing a varsity schedule. He indicated that although the teams haven't been very competitive, it is expected that in two years they would be competitive as there are 2-4 players who show talent and could provide a nucleus for a competitive team in the next couple of years.

Wilczynski suggested the possibility of considering re-alignment with other leagues to provide an opportunity for being in a more competitive position.

Garabedian replied that it might be an alternative but opted to defend the present alignment and league noting that most coaches in the present league don't take advantage of situations. He cited the recent game against Grafton when the coach took the varsity out after the first quarter and played J.V.'s the rest of the game.

No vote was taken to endorse the Flag Football program. The matter was tabled to allow questionnaires to be sent out to 8th graders to see if there is an interest.

Status of School Opening

Sylvia presented a brief report on the opening of school indicating that everything went smoothly. He noted that an unexpected 13 students showed up for grade one and that he was requesting a teacher aide to serve part time at Elmwood Street and part time at the Middle School.

The committee approved his recommendation on a 5-0 vote.

Release Time Days

A request to approve five release time days was approved after some discussion concerning rotation of periods.

Dr. David Troughton, Curriculum Coordinator, emphasized that the release time days would allow for articulation in curriculum improvement.

Teachers of the Year

Under "Informational Items," Sylvia reported that Debbie Dowgert (Elmwood St. School), Beth Zersky (Middle School), and Donna Saucier (High School) were selected as Teachers of the Year. Zersky was chosen as Teacher of the Year for the entire system.

National Merit Program

Carmody announced that the high school had two National Merit semifinalists and that one student received a Commendation. The two semifinalists, Scott Pease and Michael Tift, are now eligible to compete in the next round for $26,000,000 in scholarship awards. Wendy Stead received a commendation.

Windle Field

Sylvia reported that there were no takers for an advertisement for volunteers to serve on the Windle Field Advisory Committee.

A discussion of the electrical conditions for lighting at the field developed with Wilczynski pushing for immediate action to alleviate hazards that were pointed out by the wiring inspector.

The committee also agreed to write a letter expressing interest in acquiring a former railroad right of way bordering Windle Field. Hanratty suggested that the land could be used for recreational purposes.

Reportedly, the right of way comprises 3.76 acres of land.

School Lunch Program

A request to participate in the National School Lunch Program, as submitted by Sylvia, was approved on a 5-0 vote.

Resignations and Sabbatical

Under "Resignations," the committee approved the resignation of Carol Cofske, Clerk-Administration.

Also approved was the resignation of Patti Hanson, Chapter I Instructor, who is moving out of state.

Sylvia informed the committee that Mrs. Wellens was applying for a sabbatical leave which could be taken up during the budget process for the next fiscal year.

Appointments

Under Appointments, Robert Sullivan was appointed Adult Education Director on a 5-0 vote.

Roger Desrosiers was appointed interim Social Studies Department Head while Frank Morrill is on sabbatical.

The following Career Achievement Program personnel were approved unanimously: Paul Clancy, Coordinator; Dennis Leonard and Eugene Genese, Teacher Advocates.

Scott Healy was approved as Coordinator of the "L'Autre Choix" program.

Sharon Gingras was appointed bus monitor-Handicapped, on a 5-0 vote.

Debra Goldsmith was approved as a Chapter I teacher on a recommendation by Sylvia.

Linda Tift was recommended by Sylvia as Volunteer Coordinator on a 5-0 vote. Mrs. Tift had resigned from the position during the summer, but then reapplied.

The committee approved a recommendation for a teacher aide on a 5-0 vote. There were two candidates for the position. Sylvia recommended June Budreau, who he said was the stronger of the two candidates.

The committee completed its agenda at 10:30 p.m.

Millbury Youth Soccer

WEEK OF 9/18/88

THERE WAS A LIGHT SCHEDULE THIS WEEK WITH NO GAMES PLAYED ON SATURDAY DUE TO THE LITTLE LEAGUE FIELD DAY. HIGHLIGHT'S OF THE WEEK INCLUDED A GAME BETWEEN UNBEATEN GRAY AND UNBEATEN BLUE IN THE SENIOR DIVISION - THE RESULT, - A 1 TO 1 TIE. Fund Raiser Results in $1900 in Pledged Donations

Riders pass in front of the Waters farmhouse.

SUTTON - The first annual ride and drive-a-thon to benefit the Waters Farm Preservation Fund was held on Sunday, September 18, in West Sutton. A longtime trail rider, who says she has ridden them all, rated this ride a definite "10". Fifty-four riders, four drivers, and Stephanie Underwood of Spencer, who rode and drove in tandem her two hackney ponies, completed the ten and fifteen mile loops through the Douglas State Forest, resulting in over $1900 in pledged donations. The ride was followed by a hearty country supper graciously served by Bruce and Donna Davis of Sutton in the Farm's carriage shed.

Area businesses donated trophies and prizes which were awarded to those persons bringing in the most in donated pledges. T-shirts and cups bearing a picture of the farm were given to riders bringing in more than $50 in pledges. First in the adult category was Lucy Davis of Douglas, with over $550 in pledges, followed by Kim Mosher of Sutton, with over $325. Ryan O'Hearn, also of Sutton, took the junior division with over $104 in pledges.

Paul Millett of Sutton was in attendance with his leopard Appaloosa, Tommy, who performed a repertoire of tricks to the delight of the other participants. After the meal and trophy presentation, everyone was invited to tour Hillock Farm, a Morgan breeding farm situated across from the Waters Farm.

The Waters Farm, assigned to the town of Sutton in 1974 by the late Dorothea Waters Moran, and accepted to the National Register of Historic Places in 1986, is a 130-acre parcel consisting of orchards, fields, and timberland overlooking Lake Manchaug. The original farmhouse, built in 1757, is now in the process of restoration. Plans are also being made to reconstruct the barn lost in the Hurricane of 1938, to develop hiking and riding trails, to restore the apple orchards, and to establish a wildlife sanctuary.

Public donations are essential to this non-profit group and horses have been a vital part of the Waters Farm's fund raising efforts. In past years, and as recently as June, horses have trekked across the states of Massachusetts, New Hampshire and Maine to call attention to the importance of the Farm as a historical landmark. Two years ago, representatives of New England Aside presented a demonstration of side-saddle riding at the annual Waters Farm Day and hay rides are always a popular attraction at this yearly event.

Plans are currently being made for a sleigh rally to be held this winter, and the second annual ride and drive-a-thon already looks like a "go" for September, 1989.

The Waters Farm Preservation Committee would like to thank all those who participated in making this such a successful event. With the diminishing amounts of land available for riding due to development, horse owners will be glad to know that there are still a few places left which will include them in their future plans. It is for this reason that the Committee hopes the horse owning community, both inside and outside the Sutton area, will continue to support the efforts of the Waters Farm.

Sutton Tax Rate Approved

By Terry Barnicle

SUTTON - The Selectmen met on Tuesday evening with all members present. The following items were addressed:

FY '89 Tax Rate

The Selectmen announced that the State Department of Revenue has approved a Tax Rate for Sutton for fiscal Year 1989 of $10.20 per thousand, up from $9.76 for FY'88.

Vaillancourt Parking

The Sutton Traffic Rules and Regulations were amended by the Board to erect no parking signs after the curb is delineated by a white line at the Vaillancourt Folk Art property at Route 122A and Boston Road.

Warrant

The board, with the assistance of Town Administrator Dexter Blois and Chairman of the Finance Committee David Strieby, put the warrant in order for the October Annual Town Meeting. It will contain 37 articles, seven concerning money matters. The non-money articles will be addressed first, as the board felt this would assure greater attendance during the discussion of these issues. The first money article on the agenda will deal with the School Department.

The amount of free cash was not known at the time of this meeting. Strieby stated that hopefully it will be known in about a week.

Taft Honored by Career Education Advisory Committee

MILLBURY - On Tuesday, September 20, Richard Taft, Insurance Broker and Registered Investment Advisor, was honored for his two years of service as Chairman of the Career Education Advisory Committee.

At the same meeting, Alexander Belisle, Publisher of the Millbury-Sutton Chronicle, was unanimously elected as the new chairman. Mrs. Mary Millette, 32 Sullivan Place, was elected vice chairwoman.

The committee meets quarterly to review occupational education programs at Millbury Memorial High School and is an essential component for meeting the regulations of federal funding. The efforts of the committee have made it possible for Millbury students to receive valuable computer equipment over the past five years.

Library To Hold Student Volunteer Classes

MILLBURY - On Tuesday, October 12 and Friday, October 14, at 3:30 p.m., the Millbury Public Library, 128 Elm Street, will hold two student volunteer classes for students in grade three and up who are interested in volunteering in the library's children's room.

The first of these two classes will be for students who have never volunteered at the library. They will be given a library orientation and will meet the library staff. The students will be taught many of the basic, but essential, procedures involved in day-to-day children's room operations.

Students that have already volunteered for the library will be given a refresher course to re-acquaint them with basic children's room procedures.

Registration for these classes starts on October 4. Only students successfully completing one of these two courses will be scheduled for volunteer hours.

Completes Training Program

SUTTON - Patricia Brady Cardin of Century 21 King & King in Sutton, recently completed the highly acclaimed "2 & 1" training program offered to Century 21 salespeople and brokers.

The objectives of the "2 & 1" program are to increase the listing ability of a sales associate and to help him/her to project the qualities of a "Neighborhood Professional" by providing more professional and complete service to the community.

Patty, formerly of Millbury, now resides in Sutton with her husband Bob, also a sales associate with King & King, and their three children.

St. Brigid's Craft and Apple Fair

MILLBURY - Members of St. Brigid's Women's Club will sponsor their third annual Craft and Apple Fair on Saturday, October 8, from 10 a.m. to 2 p.m. in the church hall.

Apples and baked goods will be sold at the Apple Fest, along with crafts, treasures, and trifles. Also featured will be a raffle table with laundry baskets filled with grocery items.

While browsing, enjoy hot dogs, potato chips, doughnuts, apple pie and coffee, all of which will be available for sale at "The Kitchen."

Co-chairwomen of this event are Kathy Hackett and Madeline Hartline; Apple Table, Madeline Hartline; Attic Treasures, Mary Mulhane and Helen White; Baked Goods, Olive Buffone and Kitty Zemaitis; Craft Table, Kathy Hackett; Kitchen, Del Carney and Carolina Pescheta; Money Raffle Table, Joan Hall and Mary Jane Randell.

The public is invited to attend.

BRIDGE from Page 4

inspected the work done to date on the South Main Street Bridge and found it satisfactory. He suggested that the first installment of bills be paid.

Water Study Committee

Donnelly informed the board that the Water Study Committee has hired Metcalf and Eddy as consultants to conduct a 90 day study. Consideration is being given to acquiring the Mass American Water Company in Millbury.

Old Common Easement

An easement on property owned by Mr. Giard at Old Common is being sought by the town for a water hole for the fire department. Chase explained that Giard was concerned that the paving of the easement and driveway might invite people to use the entrance unless it was clearly paved in such a way to specify that the driveway adjoining the easement was an entrance to his (Giard's) property. According to Chase, Giard was also interested in seeing the paving done before the asphalt plants close for the winter.

Transfer Station

At 8:45, the board was scheduled to meet with Town Treasurer Dave Cofske, the Assessors, the Board of Health, and the Solid Waste/Transfer Station Building Committee to discuss finances relating to the possible construction of a transfer station.

Of all the expected attendees, only members of the Solid Waste Committee were present: George D'Auteuil and Judy Taft. Cristo remarked, "We have no financial information tonight. We are getting to the point we can't do any business. We are not getting the information we need from various offices."

Cristo then asked Chase if the assessors had submitted any information as requested last week. Chase replied that a report was submitted that indicated $129,000 in funds could be appropriated and the figure could change upwards if growth figures change.

Adams called attention to over-expenditures in several accounts which lowered the amount that would be available for appropriation to around $60,000, which points toward borrowing of funds for the construction of a transfer station. Capping of the landfill as part of the discussion was also put off as board of health members were not present.

Cristo then stated, "We can't get all parties here to make decisions that have to be made. We're going around in circles. It seems like we're not getting anything done anymore. These are significant economic issues."

Adams asked about the status of the Finance Committee. Chase replied that he had been informed by Town Moderator Tom Fox that there were 3 possible candidates. Adams suggested that Chase check with the moderator, daily if necessary, so a date for the special town meeting can be set.

The question of a bond issue to be paid off in five years arose again this week. Lachance spoke again, as he has in the past, against the proposal. "I am against a 5-year bond issue," he said. "I've paid for three schools, sewerage systems, and the town hall. Let others who are new to town pay for this down the road. Let them carry some of the burden."

Transfer Station Building Committee member George D'Auteuil then spoke up, saying "It's not a question of opinion. Some are looking at it in a selfish manner. A decision should be made on facts in the best interest of all the town. There needs to be a general consensus based on fact."

D'Auteuil also noted that there were other issues to be discussed, such as management of the facility once built.

Cristo asked Chase to put the item on the agenda for 8 p.m. next week to cover 60 minutes. He also told Chase to send a letter to each office, department and committee that should provide input on the issue, requesting representative attendance at the next meeting.

Cristo stated, "It comes down to us to decide. Let the townspeople decide who's doing their job or not. The more I look at the Charter Study the more I see a need for changes."

Options Within your Farming Operation

LEICESTER - A series of educational meetings designed to help you evaluate new and non-traditional enterprises for your farm or natural resource based business will be conducted by the Cooperative Extension of the University of Massachusetts.

Wednesday, October 5: "The Family and Farm Inventory: where do we want to be and how do we get there?" - Learn how to evaluate your most critical assets: the farm family. Learn to assess the limitations and opportunities presented by the business management skills of the farm manager, and the needs and preference of the entire family, Identify the goals and objectives you would like a new enterprise to meet. Speakers will be Lynn Hartman, Hartman's Herb Farm, Barre; and John Pontius, Family Farm Specialist, University of Massachusetts Cooperative Extension.

Wednesday, October 19: "Exploring the Market" - Learn basic techniques for researching a potential market for your business. Learn where to find market information, how to use your market research and how to organize your business plan. Speaker Wayne Prescott has worked as a marketing specialist in private industries for over 25 years, specializing in market and product research and development.

Wednesday, November 2: "Can it be Done?" - How reasonable is it to produce a new product or provide a new service? Will this new enterprise pay off? Learn how to conduct a profitability analysis. Speakers will be Shirley Smiley, Sterling Orchards Bed & Breakfast and Gretchen May, Home Economist, Franklin County Cooperative Extension.

Wednesday, November 9: "Financial Feasibility" - Once you have determined that an enterprise is likely to be profitable, the next step is to investigate if you can afford to develop and execute it. Learn how to use specific financial tools to determine the feasibility of your planned venture within your own operation. The speaker will be Charles Chase, Chase Farms, Barre; and Tom Capehart, Farm Management Specialist Cocperative Extension.

All sessions begin at 7 p.m. and will last till about 9:30. They will be held at Worcester County Cooperative Extension Office, 759 Main Street, Leicester.

A $10 fee per farm or family will include the cost of working papers and attendance at all four sessions. Checks payable to University of Massachusetts, Cooperative Extension.

Pre-register by calling 892-1116, or by sending your name, address, and the fee to the Leicester address.

Town of Sutton
Planning Board
NOTICE OF PUBLIC HEARING

The Sutton Planning Board will hold a Public Hearing on Thursday, October 6, 1988 at 7:30 p.m. in the Municipal Center to review the following proposed amendment to the Sutton Zoning Map, to wit:

To see if the Town will vote to amend its zoning map by changing the zoning district of certain parcels of land now owned by Catherine Gauthier, Alice Reynolds, Ann Murphy, and Judson LaVallee Co. from R-1 (Residential-Rural) to I (Industrial), said parcels more particularly described as the remainder of parcel #91 on Assessors' Map #18 not already zoned I (Industrial), that portion of parcel #15 on Assessors' Map #11 that is southwesterly of the New England Power Company easement that is not already zoned I (Industrial), or act or do anything in relation thereto.

Craig A. Ferrell
Chairman
Planning Board

NOTICE OF PUBLIC HEARING

The Sutton Planning Board will hold a Public Hearing on Thursday, October 6, 1988, at 7:30 p.m. in the Municipal Center to review the following proposed amendment to the Sutton Zoning Bylaw, to wit:

To see if the Town will vote to amend its zoning bylaw by adding the following additional zoning bylaw:

"E. IRREGULAR LOT BYLAW

Section 1. Purpose and Intent.
The purpose and intent of the irregular lot ByLaw is to allow flexibility for property owners in meeting the basic intent of the dimensional requirements of Section VI, Area, Height, and Bulk Regulations.

Section 2. Applicability.
In the R-1 and R-2 residential zoning districts of the town of Sutton, irregular lots that meet all of the dimensional requirements of the Table of Area Regulations in Section VI with the exception of the width (frontage) requirement, will be permitted subject to the following provisions and the granting of a special permit by the Planning Board. Where an irregular lot is located in more than one residential zoning district, the requirements hereunder applicable to the residential zoning district in which the lot's street access is located must be complied with.

Section 3. Special Permit Granting Authority
The Planning Board will be the special permit granting authority for the purposes of this Section. All applicants under this Section will be responsible for obtaining a special permit prior to any construction on said lot. The Planning Board may grant a special permit if it finds the following:

a. Efficient use of the land will be made;
b. The scenic and natural resources of the town will be protected;
c. Adequate access is provided to the lot which will protect the public safety; and,
d. The standards of this Section have been met.

Section 4. Frontage.
Said lot must have a minimum street frontage of not less than forty (40) feet. Frontage shall mean the horizontal distance between the side lot lines measured along the property line dividing the lot from a street (right-of-way), and where the primary access to the lot is, or will be, located.

NOTICE OF PUBLIC HEARING

The Sutton Planning Board will hold a Public Hearing on Thursday, October 6, 1988, at 7:30 p.m. in the Municipal Center to review the following proposed amendment to the Sutton Zoning Bylaws, to wit:

To see if the Town will vote to amend Subsection B (Tables of Area and Height and Bulk Regulations) Section VI (Area, Height and Bulk Regulations) of its zoning bylaws by deleting therefrom the following table:

"Table of Height and Bulk Regulations

District	Max permitted height (ft.)	Max permitted height (stories)	Max bldg coverage of lot (covered area as percent of total lot area)	Min residential net floor area (sq. ft.)
R-1	35	2.5	10	768
R-2	35	2.5	20	768
B-1	30	2.0	80	not permitted
B-2	30	2.0	50	not permitted
I	30	2.0	50	not permitted*

and substituting in lieu thereof the following new table:

"Table of Height and Bulk Regulations

	District				
	R-1	R-2	B-1	B-2	I
Max bldg height (ft.)	35	35	30	30	30
Max bldg stories	2.5	2.5	2.0	2.0	2.0
Max bldg coverage of lot (covered area as % of total lot area)	10	20	80	50	50
Min habitable floor area per dwelling unit (sq. ft.)	768	768	NP	NP	NP
Min open space (%)	-	-	50	50	50

(NP - not permitted use)",

and to add the following new definition to Section II (Definitions) of said zoning bylaw:

"Open Space: that portion of the lot area not covered by any structure and not used for drives, parking, or storage. Man-made retention areas shall not be considered open space. All open space shall be kept stabilized with natural vegetative cover.",
or act or do anything in relation thereto.
